Email 1: Request for Assignment Extension

Subject: Request for 2-Day Extension – CSE0001 Digital Literacy Assignment

To: Dr. Bandla Pavan Babu

From: Jahnvee | 1st Year B.Tech CSE | Reg No: 25BSA10170

Dear Dr. Bandla Pavan Babu,

I hope this email finds you well.

I am writing to respectfully request a 2-day extension for the Digital Literacy project assignment (CSE0001), originally due on [Current Due Date].

I am Jahnvee, a first-year B.Tech CSE student at VIT Bhopal University (2025-26 batch). Unfortunately, due to an unexpected internet connectivity issue in my area over the past three days, I have been unable to complete the GitHub repository setup and project report as planned.

I have already completed the infographic, portfolio setup, and cybercrime case study sections. Only the final compilation and report writing remain. With a 2-day extension until [New Date], I can submit a complete and quality assignment.

I understand the importance of meeting deadlines and sincerely apologize for any inconvenience. I have attached the work completed so far for your reference.

Thank you for your understanding and consideration.

Yours sincerely,

Jahnvee

Email 2: Summer Internship Interest

Subject: Application for Summer Internship 2026 – Jahnvee | 1st Year B.Tech CSE

To: Internship Coordinator

From: Jahnvee | 1st Year B.Tech CSE | VIT Bhopal

Dear Internship Coordinator,

I am writing to express my strong interest in summer internship opportunities at your esteemed organization for the upcoming summer break (April-June 2026).

I am Jahnvee, a first-year B.Tech Computer Science Engineering student at VIT Bhopal University (2025-26 batch). I am eager to gain hands-on experience in software development, data analytics, or IT support roles. Through my Digital Literacy course, I have developed foundational skills in GitHub, professional communication, cloud collaboration tools (Google Workspace), and basic coding on platforms like HackerRank.

I am a quick learner with strong attention to detail and a passion for technology. I am available for a full-time internship for 6-8 weeks during summer 2026. I would be grateful for the opportunity to contribute to your team while learning from industry professionals.

I have attached my resume for your kind perusal. Please let me know if you require any additional information or if there is a formal application process I should follow.

Thank you for your time and consideration. I look forward to the possibility of working with your organization.

Yours sincerely,

Jahnvee
